

Parent Survey – Mid Year Reports

Parents were surveyed about our mid-year reports and here are the results to the questions. The 1-5 scale was used with 1 being the lowest rating and 5 being the highest. 23 surveys were completed by parents.

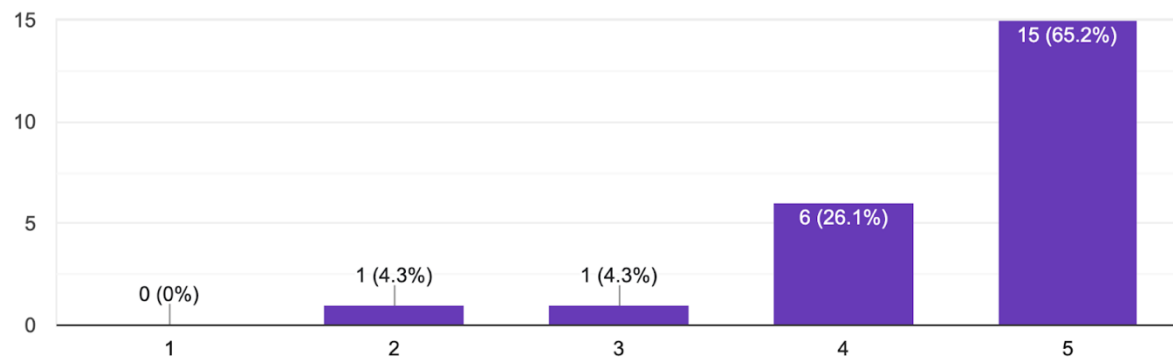

Overall how would you rate the quality of the information contained in your child's mid year report?

23 responses

Our reports used the following Curriculum Progress Descriptors; Needing Support, Progressing Towards, Proficient and Exceeding. How easy were these to understand?

23 responses

Our reports contained information on Attendance, Subject Achievement, School Values and General Comments. How useful was this information?
